

# How to Prepare for the Flatiron School Admissions Interview

Use this handy checklist to help prepare for your Flatiron School admissions interview.

Remember, the admissions interview is more of a conversation than a job interview. So, come prepared with a list of everything you want to know about Flatiron School. Below is a list of questions that students typically ask, plus some room to add your own questions.

## Question

## Answer

How can I best prepare myself for day one of class?	
What self-teaching resources do you recommend for me?	
What's the day-to-day structure of the course?	
How much time should I plan to spend on taking the course?	
Add your own questions here:
